Cool Websites

The internet is a big place -- but here at FOX News Chicago, we're trying to make it a little bit smaller. Like many of you, Nancy Loo loves to check out the newest and coolest websites along the information superhighway.

This is the place to share with each other.

Our ongoing Cool Websites list is fueled by Nancy, the FOX Chicago Web Team and YOU!

After a year on FOX News in the Morning, Cool Websites is now an "online only" feature, meaning you won't see Cool Websites on TV anymore, but you can still find them here online.

If you know of a new and unique website, and you'd like to share it with the world, email Nancy Loo with your suggestion and we'll consider it for our ever-growing list.

Be sure to check back regularly!
